DIVERSITY MADE SIMPLE:

*Multicultural Awareness & Diversity Training
For Helping Professionals*

*Learn how to reduce **unintended cultural offenses** that hinder your professional effectiveness!*

*Discover new skills while learning how to help others from various cultural backgrounds by using **skills you already have**?*

*Experience cultural awareness training that doesn't make you feel guilt and shame; instead, helps you feel **encouraged and confident** in your ability to help others?*

Lambers Fisher has a seminar for you!

Do you have a professional conference in need of a dynamic keynote speaker? Do you have a team of professionals (or aspiring professionals) in need of empowerment in their cultural competency efforts? Are you in need of an encouraging panel guest to contribute to a difficult discussion on how to healthily strengthen relationships with diverse populations?

Lambers can customize a multicultural awareness and diversity training to specifically address the needs of your event – including emphases on **social justice, reconciliation, professional and community relationships, and the role of ethics (and faith) in healthy multicultural interactions.**

Lambers is available to speak to **mental health professionals, business professionals, students and education professionals, law enforcement agencies, ministry and churches leaders, media professionals, and other helping professionals.**
